## INTRODUCTION

Visionary Construction, Inc. d/b/a Visionary Services, Inc. is a certified woman-owned and minority-owned small business providing services in design-bid build / design build construction, renovations and repairs, facilities maintenance, janitorial services, and security services.

Founded in 2010, Visionary was certified by SBA to enter the 8(a) Business Development Program in 2013. We have leveraged our expertise, professionalism, and certification to win contracts in support of local municipalities, state and federal governments and commercial clients.

As a small business, our size allows us to be efficient and responsive. Our efficiencies mean better pricing and greater value to you and our responsiveness allows us to quickly ramp up and meet your critical deadlines.

We would love to be able to work with you and be a valued partner. We will work with you to address your greatest challenges and formulate a sustainable solution that will give you the best ROI. We're a small company making a BIG difference for our clients!
